

So, what's Pinchapoo?

Pinchapoo is proudly responsible for creating a cheeky hotel toiletry 'pinching' movement 8 years ago... and for good reason! Using this concept we have been able to proudly redistribute in excess of 1,000,000 personal hygiene products to thousands of disadvantaged men, women and children around Australia.

Pinchapoo works alongside over 70 leading organisations nationally as a total hygiene solution providing products via homeless shelters, soup vans, domestic abuse refuges, community shower programs, refugee support centres, short term housing, crisis accommodation, hospitals, schools, jails, and emergency relief efforts for bush fire and flood victims.

By donating to Pinchapoo, you become part of the profound transformation that occurs when self-confidence and self-worth is restored. Help us honor this basic human right- essential to physical and mental well-being today!
