

So, what's Pinchapoo?

Pinchapoo is proudly responsible for creating a cheeky hotel 'pinching' movement over 10 years ago.....and for good reason! Using this world first concept, we have been able to proudly redistribute millions of personal hygiene essentials to hundreds of thousands of disadvantaged men, women and children around Australia each year.

Pinchapoo works as a holistic hygiene solution for over 400 organisations nationally providing a reliable source of customised personal packs catering for everyone in every situation.

By donating to Pinchapoo, you become part of the profound transformation that occurs when self worth is established or restored. Help us get to the 1 in 6 that go without this basic human right essential to physical and mental well-being today!
